**Beautiful design,
solid and comfortable**

GreenForest's RECON desks and tables add value through elegant simplicity, flexibility and functionality.

RECON will give a modern look to any environment, whether at the office or at home.

1.

Cable tray. With a cable tray and additional accessories - a pleasant working atmosphere is achieved. As a bonus, the workplace becomes even easier to clean. The tray is designed installation under the table. Very simple to install with plenty of room for power strips. The length may also be cut for perfect fit. Prepared for ground connection.

2.

The perfect system for personal privacy: **easy screen** also aids the concentration when working at bench workstations.

3.

With our **power sockets**, you are free to decide how to configure because the power strip can be quickly replaced without any tools. Integrated functionality and flexibility not just for today, but also for the developments of tomorrow.

4.

We have also **complementary products** that gives you the solutions to keep your workspace in order. Both above and under the desk.
