OPERATIVE RECON

A photograph of a modern office interior. In the foreground, there is a long white table with several black chairs. The chairs have green accents on the backrests. The office has a high ceiling with exposed ductwork and pendant lights. In the background, there are more tables and chairs, and a green wall. The overall aesthetic is clean and professional.

BEAUTIFUL DESIGN, SOLID AND COMFORTABLE

GreenForest's RECON desks and tables add value through elegant simplicity, flexibility and functionality.

A modern office interior featuring a wooden desk with black legs, a black ergonomic chair, and a large white modular shelving unit. The desk has a laptop and some books on it. The shelving unit has various items like books, plants, and a small lamp. The room has large windows on the left and a glass door on the right. The floor is made of large grey tiles.

RECON will give a modern look to
any environment, whether at the office
or at home.

1.

Cable tray. With a cable tray and additional accessories - a pleasant working atmosphere is achieved. As a bonus, the workplace becomes even easier to clean. The tray is designed installation under the table. Very simple to install with plenty of room for power strips. The length may also be cut for perfect fit. Prepared for ground connection.

2.

The perfect system for personal privacy: **easy screen** also aids the concentration when working at bench workstations.

3.

With our **power sockets**, you are free to decide how to configure because the power strip can be quickly replaced without any tools. Integrated functionality and flexibility not just for today, but also for the developments of tomorrow.

4.

We have also **complementary products** that gives you the solutions to keep your workspace in order. Both above and under the desk.
